PO Box 516, Arkadelphia, Arkansas 71923

Dear Partner:

As our county begins its third century, the Clark County Historical Association needs your support to help make the Museum's plans a reality! As a business operating in Clark County, our Museum Advisory Board invites you to participate in our 2020 Capital Campaign to support and revitalize our Historical Museum located in the Missouri Pacific Train Depot in Arkadelphia.

Clark County was founded in December 1818 and was one of the five original counties comprising the Arkansas Territory. For over 200 years, this county has provided a home for diverse people, businesses, and educational institutions. As an organization dedicated to the discovery, preservation, and presentation of this diverse history, the Clark County Historical Museum acts as the "keeper of stories" for our county and our people.

Plans for updating the museum include refurbishing interior gallery spaces; the creation of a media area where visitors will be introduced to Clark County and the museum through a short, educational video; and updating the family history research room. Additionally, we want to develop outreach programs for K-12 students in the surrounding school districts, including both traveling exhibits and sponsored field trips to the museum. We believe that it is imperative that students have the opportunity to learn about their history and the shoulders on which they stand.

We are grateful for your financial support, and we promise to be good stewards of your tax-deductible donation. Please ask about naming opportunities at the Gold and Platinum levels. Contributions of all levels are appreciated, but we ask you to consider giving at one of these levels:

Circle your level of support for the Clark County Historical Museum	
Bronze \$500	Gold \$2500
Silver \$1000	Platinum \$5000

Checks may be made payable to the Clark County Historical Association Inc., a 501 ©3 Non-Profit Organization, with "Museum" identified on the memo line and mail to Clark County Historical Association, P.O. Box 516, Arkadelphia, AR 71923.

We appreciate your support for keeping our history alive in Clark County!

Sincerely,

Clark County Historical Museum Advisory Board
